## **5<sup>th</sup> Avenue South Lighting Survey** (from Highway 41 to 3<sup>rd</sup> Street South)

1. Please identify those areas which are dark and require better lighting:
2. Please identify those areas such as crosswalks and intersections which might require better or different lighting to improve pedestrian safety:
3. Please identify those areas that may be too brightly lit and require more subdued lighting:
4. Please identify areas that you consider to be very attractively lighted:
5. Please identify areas that you consider to be very unattractively lighted:
6. What are your ideas for improving the look and feel of 5<sup>th</sup> Avenue South from a lighting point-of-view?

*Please consider three aspects of lighting when responding – street lighting (light posts), ambient lighting (landscape, tree and other decorative lighting) and storefront lighting (commercial building lighting, storefronts and display window lighting).*
