

NEW TO FIFTH AVENUE SOUTH

Luxury travel agency Journeys 360 Travel opens on Fifth Avenue

The Fifth Avenue South Business Improvement District announced that Journeys 360 Travel, a luxury travel agency that strives to provide the very best travel experience, including cruises, safaris, vacation packages and hotels/resorts, has recently opened an office along Fifth Avenue South in Naples.

Located at 365 Fifth Ave. S., the Journeys 360 Travel team has more than 60 years of executive leadership experience working in roles such as product design, operations and contracting for some of the nation's top tour and cruise operators that operate tours and cruises in more than 70 countries across seven continents.

Over the years, friends and neighbors reached out for recommendations for where they should travel or which cruise or tour operator they should use, inspiring the travel agency. Journeys 360 Travel is a boutique agency that only works with a few clients at a time, giving them undivided attention to create unique vacations they cannot buy off the shelf.

The firm offers three different types of services — assistance in booking a

high-end vacation with a luxury tour or cruise operator; fully customized and curated vacations that provide insider experiences based on clients likes and dislikes; and exclusive departures provided by Journeys 360 Travel at least four times a year to select destinations. The exclusive departures have limited availability.

“We are avid travelers ourselves and extremely passionate about the travel and hospitality business and therefore very excited to open our travel agency on Fifth Avenue South, which provides us a high-profile location right in downtown Naples,” said Preeti Dewan, owner and president of Journeys 360 Travel. “As the travel industry begins to rebound, we look forward to serving residents and visitors to Naples with all of their luxury travel needs. The last 24 months has been an epic time for the industry and we appreciate all the support we can get to support a local business from residents and visitors of Naples.”

Cocoon relocates operations from Greenwich to Naples

Cocoon, a retailer of nature-inspired, handcrafted furnishings and décor founded in Greenwich, Conn. in 2009, has relocated its entire operations to Naples. The Naples showroom is located on 5th Avenue South, in the heart of Naples' vibrant retail and dining scene.

Relocating the Greenwich operations included moving Cocoon's woodworking facility to the Naples Design District, near the corner of 5th Avenue North and Goodlette-Frank Road. The facility is where artisans create original live-edge furniture and décor from exotic woods, including live-edge mirrors, sculptures, wall art, and other décor sourced from obsidian, geodes and quartz.

Cocoon is a licensed importer of exotic wood from Southeast Asia. The wood is sustainably harvested; a tree is planted for each tree harvested for the company. Cocoon reflects the passion of its founder Mitchell Siegel for organic beauty, whether it be an Indonesian root sculpture or handmade pottery from Northern Thailand. He has traveled to remote parts of the world to work with local craftsmen.

“The Cocoon team believes that the Naples address speaks volumes about quality to discerning buyers around the

world,” commented Mr. Siegel. “Plus, it is an ideal base for Cocoon to expand elsewhere in Florida.”

Cocoon customers, which include show business and sports celebrities, have described the Naples showroom as “mesmerizing” and “irresistible.” The space teems with artful objects from small vases and bowls to towering sculptures of intricate roots. Live-edge tables, benches and chairs abound.

Customers may visit the woodshop to source raw elements to create a custom piece unique to their interiors. Visits are by appointment and include the opportunity to watch artisans at work.

Cocoon is located at 602 5th Avenue South. Call 239-263-8889 or visit CocoonNatureCreations.com. ■

Estate Planning and Trust Administration

One of the Most Important Skills a Trust Attorney Can Have Is Empathy.

Amanda works closely with her clients to understand their unique family dynamics. She empathizes with her clients and anticipates the pain a loss brings. Amanda focuses on what needs to be done now to alleviate the stress that financial affairs can add in times of loss, so her clients' families don't have to do so later. Amanda's years of experience in estate planning, probate, and trust administration give her clients the peace of mind that their affairs are in her capable hands. Every estate plan that Amanda develops is a comprehensive approach to each client's individual situation — just as we've done for our clients since 1924.
